

# FMC Kids Worship and Nursery Guidelines and Protocols

---

The following safety protocols have been implemented by FMC to ensure a safe environment for our children, parents and volunteers. We appreciate everyone's understanding and flexibility in regards to changes in policy. All adults and children (PreKinder through 5th grade) are required to wear a face covering. All individuals are required to have their temperature checked at drop off. Those with a temperature of 100.4 F or greater will not be admitted. We have signed, roped off areas for check in outside the nursery as well as the Children's Area. In drop off and pick up lines families should maintain at least 6 feet of separation from one another. We also ask that only one parent or guardian check in each family unit. Our check-in system is now touchless and allows you to use an assigned barcode to check in your child. This new system will help speed up the check in process. When using a barcode, please have it ready to present at check in.

## Nursery

- ❖ The nursery is open for infants through children 3 years of age (as of 9/1) during the 9:00 am Worship Service
- ❖ The nursery is open for infants through children PreKinder (as of 9/1) during the 11:00 am Worship Service.
- ❖ Our nursery workers will wear face coverings and increase hand washing.
- ❖ All toys that has been put in a child's mouth will immediately be removed from the play area.
- ❖ Once all children have been picked up after each service, the nursery rooms will be sanitized.
- ❖ We ask that parents send a bag with necessary items only, such as a change of clothes, diapers, and any essential needs.
